# Abstract

This report details and analyzes U.S. foreign aid to Africa, particularly in the Sub-Saharan region. Moreover, the report tends to focus on the overall lack of development even though Africa has been getting the aid. The debate hinges on whether or not development is in African control, citing issues such as the HIV/AIDS pandemic and corrupt governments.

Keywords: US foreign aid, sub-Saharan Africa, development policy, aid effectiveness, HIV/AIDS epidemic, corrup
